

Nights Away Information Form

Item Code FS120082 Jun/08 Edition no 3

0845 300 1818

Introduction

This form has been drafted to help Leaders by providing a template on which information can be given to parents and carers and their permission obtained for residential events. Furthermore it also provides Leaders with important and up-dated information regarding the young person.

The nature of residential events will vary from Section to Section ranging from an indoor sleepover for Beaver Scouts to greenfield summer camps for Explorer Scouts. Therefore some changes may be necessary to the type of information that is required. To allow this flexibility this form is provided as a Microsoft Word document, allowing Leaders to add, delete and amend information as is required for each residential experience. It is recommended you keep a copy of each form you send out to remind you of the information you have given.

How To Use

To add information before printing simply click on each grey box and type the information you need. The area under 'Camp / Holiday Information' is there to allow you to brand the form to your Group / Section. If you type more than one line in a box it will expand to include all the information, however you may wish to change the spacing at other points to ensure all the information still fits on the page. Alternatively you can print the form as it is and fill in the details by hand. The grey boxes you see online will not show when printed.

If you wish to fill in and email the form without this page, you can find the form on its own at www.scoutbase.org.uk/ps/activities/fs120082.doc.

Note: The medical profession takes the view that the parent's/carer's consent to medical treatment cannot be delegated. This view is explicit in The Children's Act 1989. Thus, medical consent forms have no legal status and a doctor or nurse insisting on the consent of a parent/carer to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents/carers signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents/carers or to have a Leader on hand able to sign forms required by medical authorities.
