

Ledbury Scouts

Photograph permission form

From time to time we would like to take photographs of scouts doing activities within the group as part of our recruitment drive and for general display within our district and website.

There is a display board at the Warren Oak site for visitors to events to see. Some photos on the walls around the scout hut would help colour the place up a little.

We would also like a face shot of each scout for the database as it is easier for us to put names to faces.

Apart from the face shots for the database and website pictures any photos not printed will be deleted.

You are well within your rights to request to see any photos taken of your child. Please sign the slip below so that we have a record for each scout on this permission.

I give / do not give permission for any photos of my child (delete as applicable)
